

How To Request Direct Deposit

Whether you want to Direct Deposit to your MEFCU Checking or MEFCU Savings, provide your employer or other payment provider with MEFCU's routing and transit number/ABA# – **255083597**.

To Deposit Funds to Your MEFCU Checking Account, provide your employer or other payment provider with your checking account number. This is the middle set of numbers (those numbers between the routing number and the check number) on the bottom of your checks. For simplicity and accuracy, you may want to supply the provider a voided personal check for the account receiving funds.

To Deposit Funds to Your MEFCU Savings Account, provide your employer or other payment provider with your MEFCU Member Number.

To Allocate Funds to Your MEFCU Accounts, you can set up recurring weekly, biweekly, or monthly automatic transfers to your other accounts (e.g. loan payments, club accounts) or to accounts on which you are a joint owner. Once you establish Direct Deposit with your employer or other payment provider and the funds are being sent to MEFCU, you can allocate the funds to your various MEFCU Accounts using our convenient Online Banking tool. Or, you may submit our Automatic Transfer Authorization Form for us to complete the request.
